LUND

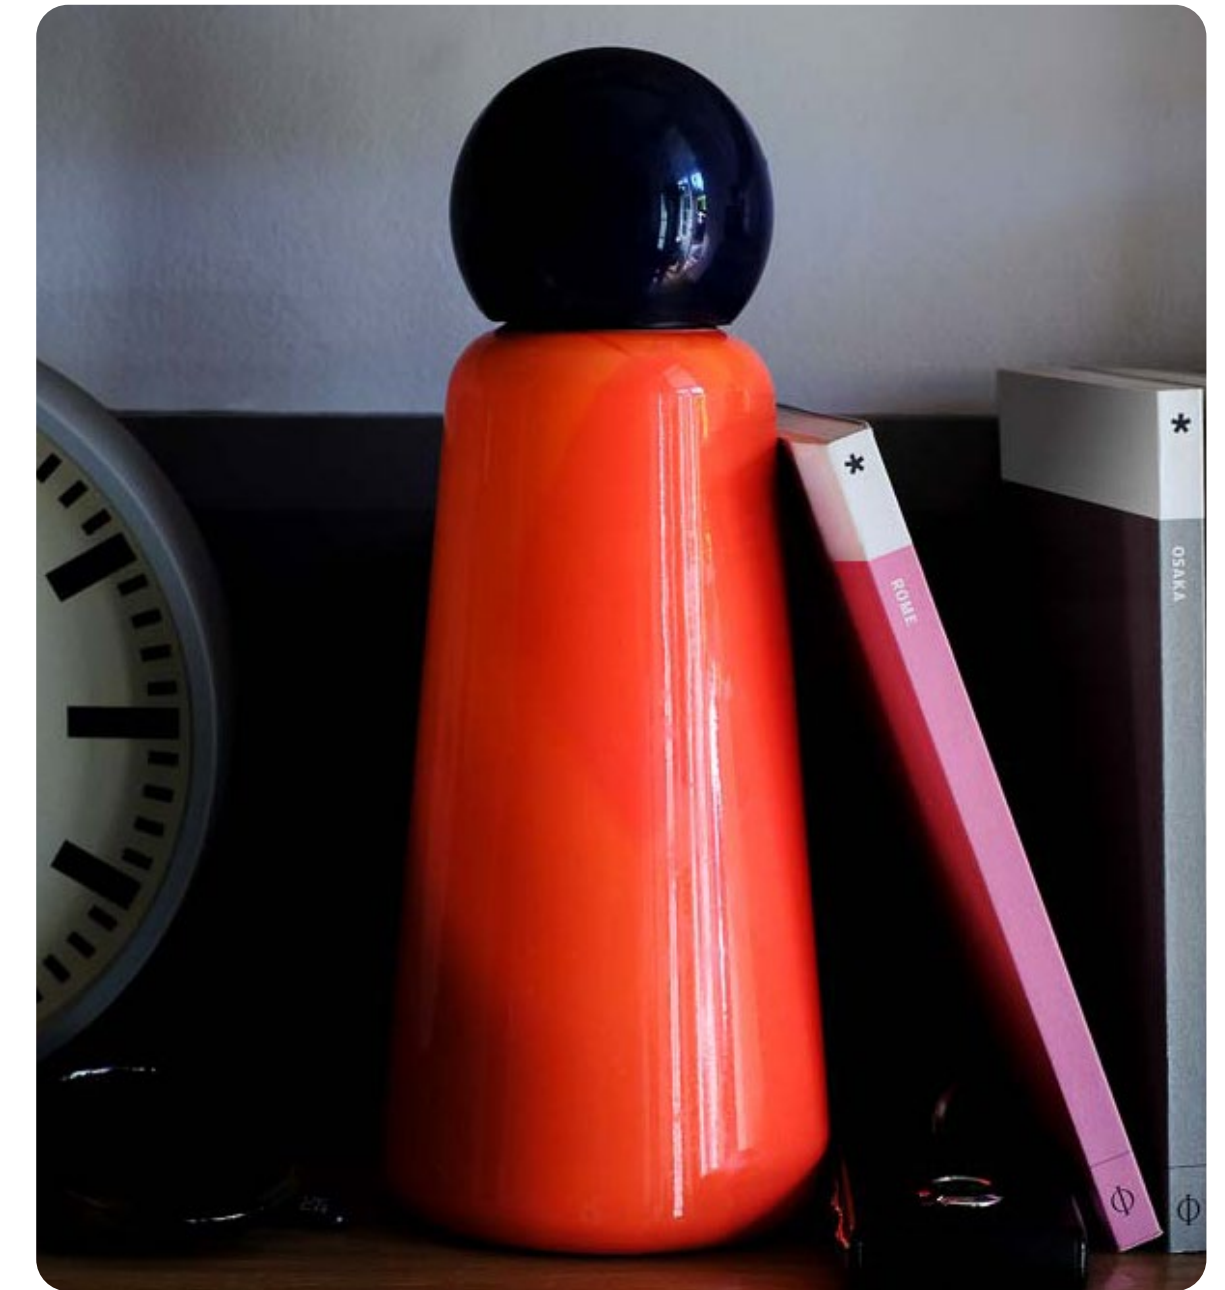

**Lund
Design
House**

The Lund Design House philosophy is simple: if it doesn't look good, Lund Design House aren't making it. The team work to curate a handful of brands that offer beautiful solutions to every-day lifestyle problems.

To top it all off, the brands give a very big nod to sustainability and looking after our planet; from reusable product designs, to the materials we use, to the factories we manufacture with, Lund Design House insists that looking good doesn't come at a cost to the environment.

So let us take your hand and lead you to a lifestyle surrounded by beautiful products in a world we're going to keep beautiful products for a beautiful world.

THE
HYUNDAI

It's the only brand you need to cater for all your hydration needs. From the iconic Skittle Water Bottle to the more practical Collapsible Coffee Cup, Skittle Hydration offers a complete range of stylish reusable drinkware.... and as we all know, reusable means we're saving the world from single use plastic!

The recognisable colour palette translates perfectly across the ranges with an array of soft pastels and bold stand out tones, in combinations to make you, and passers- by, smile.

The products are made using sustainable, durable materials so they work hard for the planet as well as your customer's look.

Customise Our Collection

If you love our unique products and would like to customise them with your own logo, colours or designs, we offer a range of options to suit your requirements.

Engraving

For order quantities as low as 24 units on our stocked bottles, straws and travel mugs, we offer custom engraving of your company logo or design. Lead time for engraving on our stocked lines is 1-2 weeks plus shipping.

How to order:

1. Choose your product size and colour.
2. Choose your desired quantity for each line.
3. Supply us with your logo in .ai or .eps (vector) format.

Payment is required to start production.

Large and detailed logos might incur additional costs.

Customise Design Projects

Make one of our fabulous products your own with a customised design.

For orders of over 500 units we offer customised patterns, colours and designs across our product types, tailored to your requirements. We can supply your custom product with our standard Lund London packaging or work with you to create your own bespoke packaging design.

Costs vary according to the design and technique used. Development costs may apply, but 50% of this is refundable against a confirmed order.

Techniques available

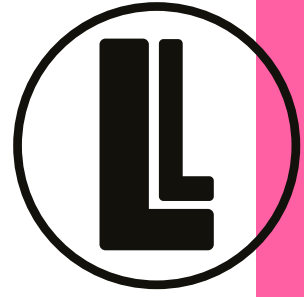

Silkscreen for 1-2 colour design
Decals for more than 2 colour design
Embossing on collapsible cup
Bespoke colours
3D print
5D print

Minimum order quantities

Bottles - 500 units
Straws - 500 units
Ceramic - 3000 units
Travel mugs - 2000 units
Collapsible cup - 1000 units

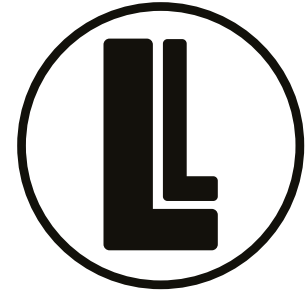

Sample lead time is approximately 30 days from receipt of payment and production lead time varies by substrate and requirements between 40-90 days.

Please contact our sales team with any enquiries and we'd be glad you help you create your beautiful custom product.
