Novelties 2026

prodir

As light as it is strong.

MS8

Material difference

The MS8 blends Swiss design precision with lightweight, endlessly recyclable aluminium. The smooth, reliable writing experience you know, now paired with a new elegant, sophisticated finish.

Aluminium is lightweight, strong, and corrosion-resistant, combining low density with high precision for long-lasting, elegant designs. Fully recyclable without quality loss, it's the ideal material for products that prize thoughtful design, meticulous detail, and a smooth, elegant hand-feel.

MOQ 150 pcs

The pen that drives your brand.

Not for the Matterhorn. Perfect for every day.

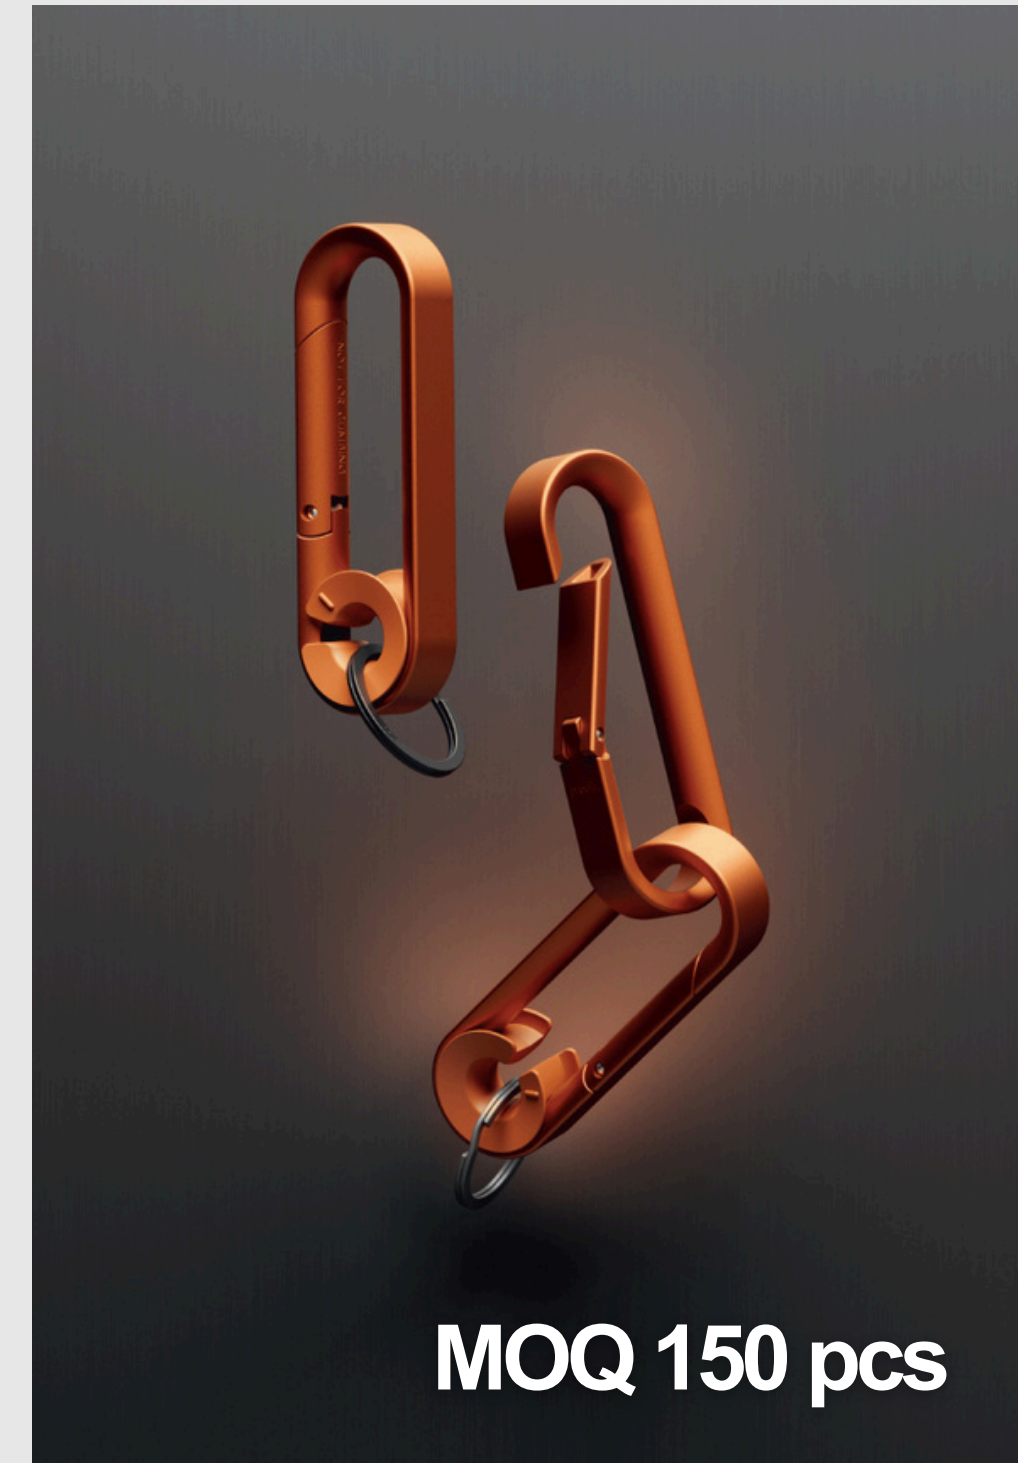

MC01

A new step for Prodir.

Keep what matters close, and turn every connection into a statement. A new member of the Prodir family, it shares the same vibrant character, elegant finishes, and versatile spirit - designed to carry your brand with style, impact, and personality.

Stay connected to what truly matters.

An aluminium carabiner designed to go with you everywhere. Attach your keys, badge, or anything worth keeping within reach. A simple, smart way to never forget what's important.

MOQ 150 pcs

For your everyday adventures.

The notebook that's grown with you.

MM01 Plus

Not new, but evolved.

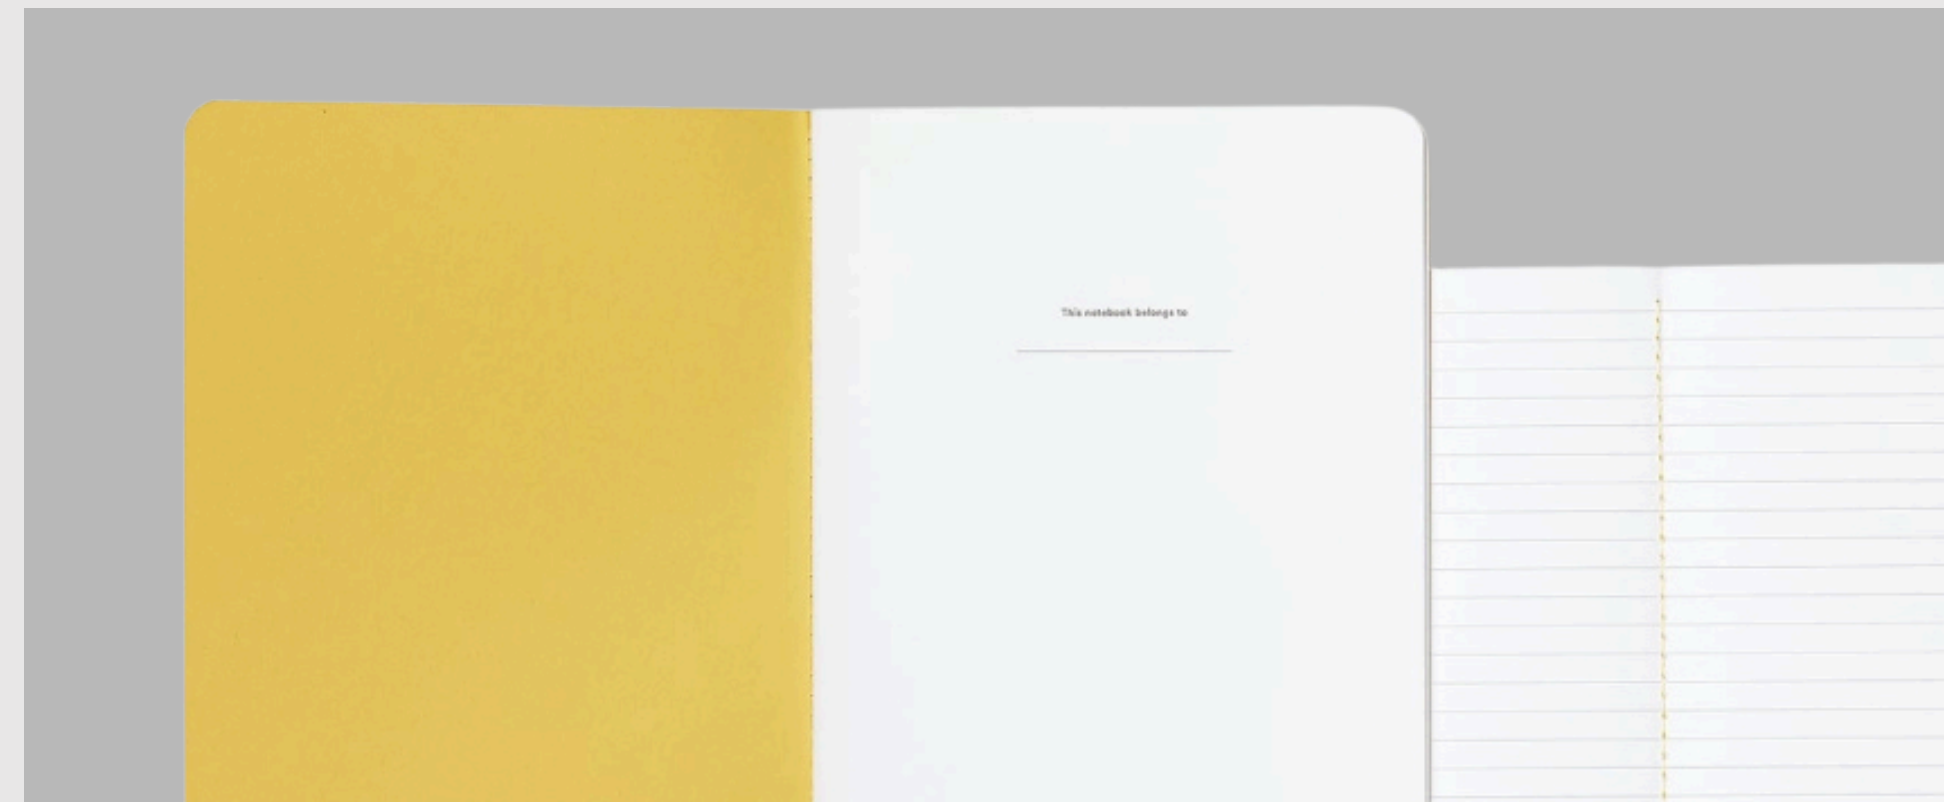

Slightly larger, it gives your ideas more room to grow and take shape - while still fitting effortlessly into your bag thanks to its travel size. Designed for longer journeys and bigger thoughts.

Softcover. Seven colors, endless stories.

The singer-sewn binding and sturdy Favini Burano softcover, available in seven elegant matte shades-from Canary Yellow to Vulcan Grey-lets you open it easily on your train table, café table, or on your lap while on the move. Eye-catching yet understated, it feels soft and gentle to the touch while keeping the romantic, tactile roughness of the paper.

Paper perfected. Where your journey begins.

The high-quality 90 g/m² paper is made to embrace the ink of your favorite Prodir pen, letting you capture your thoughts and memories with ease. Designed by Portuguese paper specialists mishmash for the 'mishmash × Prodir' collection and produced in Italy, MM01 Plus is for those who never stopped traveling-just on slightly bigger journeys.
